

Kroger Community Rewards & Amazon Smile

Hello TYCP Family!

We are approved as a **Kroger Community Rewards** recipient and **Amazon Smile Account**, so that means you can help the school by linking your Kroger Plus Card to the school and there is no cost to you!

Anyone with a Kroger Shoppers Plus Card (the card you use in store to use coupons & collect fuel points) is able to choose Tender Years Cooperative Preschool as their Community Rewards Program recipient. You will still collect your fuel points as usual, this won't change anything for you but will give the school some money!

How to link your Community Rewards to Tender Years via the **Kroger App**:

Step 1 - Open the Kroger app and click on the menu (3 horizontal lines) in the top right corner.

Step 2 - Click on Rewards

Step 3 - Click on Community Rewards

Step 4 - Click on Search for Organization

Step 5- Type Tender Years in the top search bar & press enter

Step 6 - Click on Enroll right under Tender Years Cooperative Preschool (will be the only one that comes up)

Step 7 - Should say you are currently enrolled, the date and then Tender Years Cooperative Preschool.

I have attached a picture of the screenshots that coordinate with the instructions above.

Anyone with an Amazon account is able to choose Tender Years Cooperative Preschool as their Amazon Smile Rewards Program recipient, this won't change anything for you but will give the school some money!

How to link your account to Tender Years via the Amazon App: (you can also do it online)

Step 1 - Open the Amazon app and click on the menu (3 horizontal lines) in the bottom right corner.

Step 2 - Pull up the bar at the bottom

Step 3 - Click on Amazon Smile

Step 4 - Click Get Started to Turn on Amazon Smile

Step 5- Type Tender Years in the top search bar & press enter

Step 6 - Should say you are currently enrolled, the date and then Tender Years Cooperative Preschool.

Thank you so much! Please share this with any friends & family members who could collect on behalf of the school.

Please reach out to me if you have any questions or concerns
